Subject: Variable Height Desk and Headset Interest

The purpose of this email is to begin the distribution of a limited number of variable height desks

and headsets within RMD. Per the Memorandum of Agreement between AFGE and R5, 60% of the recently purchased variable height desks, wired and wireless headsets would be distributed based on an employee's service computation date. You are receiving this email because you qualify for both a variable height desk and either a wired or wireless headset. The supplies are limited so ***please respond to this email within the next 7 calendar days***, failure to respond within the selected timeframe will constitute a response that you are not interested in either of these items.

-

Please respond as to which item you would like to receive from the list below:

Item #1: Variable Desk

Item #2: Wired Headset

Item #3: Wireless Headset

If you have any questions or concerns, please feel free to contact me.
